

Technical Development & Standards – Supporting Growth

- **Standards - What next ?**
 - Borehole Standard - What revisions? Backfill?
 - Thermal Pile Standard – Out for comment
 - Next Standard – Horizontal loops? Open loop systems?
 - Thermal Response Test – Improvements?
- **MIS 3005 – Small Systems**
 - Geology – Simplifying UK thermal conductivity – key areas
 - Thermal response test
 - Pump power – 2.5%
 - Laminar flow
 - Monitoring – SPF - Base specification for
- **Large Building**
 - Balancing heating and cooling
